

BOARD MEMBER FREEDOM OF ACCESS LAW TRAINING

NEPN/NSBA Code: BIC

In accordance with Maine law, beginning July 1, 2008, every Board member must complete a course of training on the requirements of Maine's Freedom of Access law as it relates to public records and proceedings not later than the 120th day after the date he/she takes the oath of office to assume his/her duties as an elected official. Freedom of Access training must be repeated within 120 days of taking the oath of office each time a Board member is elected to serve a new term.

At a minimum, the training course must include instruction in:

1. The general legal requirements of the Freedom of Access law regarding public records and public proceedings;
2. Procedures and requirements regarding complying with a request for a public record under the Freedom of Access law; and
3. Penalties and other consequences for failure to comply with the Freedom of Access law.

A Board member may meet the training requirement by conducting a thorough review of all the information made available by the State of Maine on the Frequently Asked Questions portion of its Freedom of Access website (www.maine.gov/foaa/faq/), or by completing any other training course that includes all of this information.

Each Board member shall attest by means of a written or electronic record that he/she has completed the training and provide a copy of such record to the Superintendent's Office. To facilitate documentation of training, the Superintendent will make available to Board members copies of the State's sample Certificate of Completion of Freedom of Access Training form.
