

**Policy Agenda  
September 1, 2021**

**Old Business**

**IJNDB-E** – Student Computer Lending and Usage Contract – this policy was sent back to us by the board. I have asked Shawn to attend our meeting to help us iron this out.

We should all have a copy of this. The old policy is on our online manual and Shawn’s revision was sent to you last month and with the Board’s Agenda for August 10 as well.

**EHB** – Records Management – We tabled this last month so we could have Shawn look at the language and make sure it is appropriate and up to date.

**JEA** – Compulsory Attendance – this was tabled in June to give Seth a chance to go over it.

**JJE** – Student Fund Raising; **JJE-A** – Fund Raising Request Form; **JJE-B** – Fund Raising Summary Report, and **JJE-C**- Student Activities Funds Request Form – Wendy asked that we revise **JJE-C** to include student vote which is required by the auditors and last meeting it was suggested we review all three forms together. I included the initial policy on student fund raising **JJE** to bring the whole subject up to date. Also, the forms should be recoded to reflect MSMA codes. A=E-1; B=E-2; C= E-3.

**New Business**

**BED** – Remote Participation in School Board Meetings. Georgia has asked that we consider adopting this policy. I am attaching the MSMA sample policy

The following policies are the last of the 2017 policies that have not been reviewed. You can find them in our online policy manual.

**EBCD** – School Cancellation/Postponement/Early Dismissal

**EFA** – Students with Special Dietary Needs

**EFA-R** – Accommodating Students with Special Dietary Needs

**GBN-R1** – Family Medical Leave Administrative Procedure
