

# Rangely Ski Scholarship Fund

## Application 2023-2024

The RSSF exists to help children in the RLRS communities be able to participate in snow sports programs at Saddleback. We ask that families contribute whatever amount they can so that more of our local children can benefit from this fund. RSSF also provides free season passes and rentals at the Rangely Lakes Trails Center for our local kids and 50% reduction on passes and rentals for accompanying adults. Questions please call Don or Claire Chase at 864-5464 / 712-0490/ 712-3810.
