

Hello Parents,

If your child wants to try cross country skiing, the Rangeley Lakes Trails Center is the place to be! If you would like to sign up your child for cross country skiing and/or snowshoeing, email us at rlxcski@gmail.com. Please indicate your child's name, shoe size, their height and their grade. We will be in touch with you with further details closer to our first session. All adult volunteers for the ski Tuesday program will get a free trail pass and free rentals for the afternoon.

For ALL RLRS students, we also offer FREE ski rentals, and day passes, with a half price parent ski pass and rental for the accompanying parent(s) during the winter season. Also of note, once a month we have locals days where all locals are able to ski and snowshoe for free!

Cross country skiing is a great way to increase comfort on skis, work on balance, explore animal tracks and experience all of the fun that being outside in winter brings. There are times when conditions for skiing are more challenging and we might opt for snowshoeing. If this is the case, your child will need to come equipped with winter boots to wear with the snowshoes. New this year, we have skate skis available!

Come enjoy the trails system and visit the gnomes too! Mrs. Johnson and the middle school worked to rejuvenate some of the gnomes last spring, and finding them all on the trails presents another family adventure opportunity.
