A small town that can make a world of difference.

Dear RLRS Graduating Seniors,

Congratulations! You have completed an important stage of life and moving on to your next adventure. You should be proud of yourself. As you look ahead to your future, remember you will always be an important part of the Rangeley community. The Giving Tree of Rangeley is supported by this great community and its visitors.

The Giving Tree of Rangeley would like to help support someone from your graduating class on their next education step. Whether you plan to attend a Technical/Trade school, a Community College, or a 4-year University, we invite you to apply for this scholarship.

We would like you to submit a letter explaining your hopes, dreams, and education plans, along with your resume, to Marie Sutherland at mooseladyme@comcast.net or The Giving Tree of Rangeley PO Box 222 Rangeley, ME 04970-0222, as soon as you can.

Since we are a community service organization, we will be considering your involvement in the community in our selection process. However, community service is not mandatory to apply for the scholarship. We will be awarding the money to your school after we have received a copy of your first semester transcript and you have signed up for the second semester.

We are excited for you and are looking forward to seeing how you will impact our community and the world!

Congratulations Again!
Carmen Glidden
The Giving Tree of Rangeley, President
