RRG&SA Junior Guides Scholarship Application

As a result of many generous donations made by the membership of the Rangeley Guides and Sportsmen's Association, we are pleased to operate the RRG&SA Scholarship Program. Each spring, we offer one or more scholarships to graduating high school seniors as they pursue their post-secondary education.

The Board considers several factors in making its award: performance in high school, participation in RRG&SA activities (such as our Junior Guides Program) and more. Preference may be given to those choosing a degree in the natural sciences or related fields but all fields of study are considered. The number and amount of the awards are at the sole discretion of the Board but are generally for \$1000 or more.

Those interested in applying are encouraged to contact their Guidance Counselor to receive an application.

**\*\* The Rangeley Region Guides' and Sportsmen's Association Scholarship committee will recognize a student's request to defer their scholarship award until June 1, 2025. This request to defer should be sent to the committee chairperson BEFORE September 1, 2024 to ensure the award money will be available when the student(s) decide to use it at their college of choice.**
