

# CONFLICT OF INTEREST DISCLOSURE

NEPN/NSBA Code: BCB-E

A potential, perceived or actual conflict of interest may exist when objective decision making could be compromised due to material and/or relationship interest. Particularly when those interests are not disclosed in advance.

This "Conflict of Interest Disclosure Form" should indicate whether the Board Member/Officer/Stipend Employee has an economic interest in or acts as an officer or a director of any outside entity whose financial and/or personal interests would reasonably appear to be affected by any matters and resulting decision making processes taken up for action by the Board.

This individual should also disclose any personal, business and/or volunteer affiliations that may give rise to a real or apparent conflict of interest.
